Teen Leadership Training

Youth Programs Presents

The Be Legendary workshop inspires teens to do little acts in life that affect positive change in the world. Being legendary doesn't mean being famous. Being legendary means leading a life that is legendary on a day-to-day basis that creates a better world for all of us. Be Legendary workshop gives teens very specific tools needed to move forward and lead a Legendary life every day.

Additionally, teens will experience SkateNation Plus, Richmond's #1 Family Entertainment destination*. Teens will have an opportunity to participate in laser tag, public ice skating session, and the huge arcade for an hour and a half after completing the Be Legendary workshop.
