A Message from our Chair

To all federal personnel in the Central Virginia area:
It is my pleasure to serve as chair of the 2009 Central Virginia Area Combined Federal Campaign (CFC). The generosity shown towards others in the past by those in the federal service, demonstrated through participation in this worthy program is well documented. Last year more than \$1,232,000 in pledges for many worthy charities was pledged through the local CFC. Worldwide, a new all-time record of nearly \$275,899,000 was attained. My thanks and sincere appreciation goes out to all who participated last year.

Today the challenges to the well-being of many of us are numerous. Your help is urgently needed to help meet those challenges. This nation, and the world, now finds itself in the most serious economic downturn since the Great Depression of the 1930's. Many of those now in federal service, their families and/or friends have been personally affected by the current recession. As serious as the situation is for individuals, just imagine the effects on so many worthy charitable organizations that rely on contributions, in order to continue their work of helping others. Some charities have already failed financially. Without our help, others will certainly follow. I shudder to think of a world without many of the wonderful organizations we have all come to count on for help when help is needed most.

While volunteering at one or more of your favorite charities is a huge help in these difficult times, it isn't the only way to make a difference. Funds are desperately needed too. While we might be able to provide cash or a check to those organizations we care about, the Combined Federal Campaign is the only way federal donors can give a truly significant amount through payroll deduction. Even a relatively small weekly or bi-weekly gift adds up surprisingly, and most likely will not even be missed on pay day. A "Fair Share" (one hour's pay per month) contribution is the traditional guideline gift, but whether you can give more than that or less, your gift, when combined with those of many others, will do much to help. Payroll deduction, cash, checks; it all adds up.

Your participation in the CFC each year is voluntary. It's up to you whether or not to participate. Before making that decision though, remember all the good this program does for so many. Our theme this year is "**One Cause Helps All**". That's a very apt phrase, when we realize that over 2,600 local, national and international charities are participating in the 2009 Central Virginia Area CFC. Take some time to review the contents of this directory. I guarantee you that you will find one or more charities that have been meaningful to you or your loved ones in the past, and need your support to continue for a brighter future. Thank you in advance for your support of the 2009 Combined Federal Campaign, a cause so important to so many who need our help.

Sincerely,

Howard G. O'Connor

What Your Gift Can Buy Please consider all you can do through payroll deduction. Here are just a few examples:

Your Monthly Payroll Deduction of...

- \$55** Supplies emergency survival kits with food, water, blankets, temporary shelter and cooking utensils for 13 displaced families in Pakistan.
- \$25** Covers the expense of 12 medical visits to a clinic for children or pregnant women who are without health insurance and can't afford even routine medical care.
- \$20** Funds the cost of 50 hot and healthy meals at a community meal program for hungry people who are homeless or don't have enough money to buy food.
- \$10** Will allow the purchase of two acres of unprotected tropical rainforest and ensure the protection of the natural areas vital to our global climate and diverse species.
- \$5** Provides a day of adult day health care services for older, frail adults providing them a safe, nurturing environment while allowing their caregivers to continue to work.

Remember too, when you designate, only the organization you specifically select will receive your gift, no other.

Your Biweekly Payroll Deduction of...

- \$25** Delivers seven complete classroom kits to children in Myanmar whose schools were destroyed by hurricane.
- \$15** Provides three hours of early intervention therapy services for a young child with developmental disabilities. Services include speech therapy, occupational and physical therapy, special education, and related parental education.
- \$10** Supports a full day of environmental education, either in the classroom or in the field, for an entire grade level, elementary through high school.
- \$5** For less than the cost of a meal at a fast-food restaurant, \$5 per pay period provides 14 balanced, nutritious, and appealing meals delivered by volunteers to the homes of seniors, persons with disabilities, or disadvantaged persons.
- \$2** Will pay for over 2 hours of counseling to children and families experiencing difficulties in the home. Participants learn effective parenting techniques, coping skills, and how to communicate appropriately.

Please Consider A Fair Share Gift

(Which is approximately one hour's pay per month)

This is the amount of your time you might give to volunteer for one of the agencies if you could spare it from your schedule. The guide below shows how your gift can add up. For example, if you're a civilian, earn \$30,000, and are paid 26 times a year, a "Fair Share" gift would be \$7.00 per pay period.

Combined Federal Campaign (CFC)

The mission of the CFC is to support and to promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all

What is the CFC?

The Combined Federal Campaign (CFC) is the only authorized solicitation of Federal employees in their workplaces on behalf of approved charitable organizations.

The CFC began in the early 1960's to coordinate the fundraising efforts of various charitable organizations so that the Federal donor would only be solicited once in the workplace and have the opportunity to make charitable contributions through payroll deduction.

Federal employees continue to make the CFC the largest and most successful workplace philanthropic fundraiser in the world. Continuing a long-standing tradition of selfless giving, in 2008, Federal employees raised over \$275 million dollars for charitable causes around the world.

Structure of the CFC

The CFC is made up of local campaigns that organize the annual fund raising effort in Federal workplaces in the United States and abroad.

Each local campaign is managed by a Local Federal Coordinating Committee (LFCC), which serves as a "Board of Directors" for the local campaign. The LFCC is comprised of Federal employees and representatives of labor unions with Federal employees as members. The LFCC is responsible for the oversight of the local CFC. In conformance with CFC regulations and policies, the LFCC makes admission determinations for local charities and selects a Principal Combined Fund Organization (PCFO) to administer the day-to-day operations of the campaign and to serve as its fiscal agent.

The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns (LFCCs and PCFOs).

Public Accountability

OPM is accountable for assuring Federal employees that their designations are honored and distributed to the charitable organizations of their choice. OPM achieves this in several ways.

OPM maintains strict eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at <http://www.opm.gov/cfc/opmmemos/index.asp>.

OPM annually makes admission decisions for all national and international charity applicants and it resolves local charity admission appeals. OPM sets strict requirements and provides on-going guidance for the activities and conduct of the LFCC and the PCFO. The fiscal integrity of the campaign is verified by OPM compliance audits and the annual review of local campaign audits that PCFOs are required to have completed by an independent CPA.

The CFC Charity List

The Charity List is a paper or web-based display of

national, international, and local organizations that have met CFC eligibility requirements. A sample charity listing is shown below with key elements shown in italics. Key elements include: the organization's five-digit CFC code, the legal name in parentheses shown if it is "doing business as" another name, the employer identification number (EIN), a 25-word statement of purpose (except in abbreviated listings), its administrative and fundraising expense rate (AFR), and its Service Categories (Taxonomy Codes).

Sample Charity Listing

11405 ABC Charity (*Alpha-Charity*) (800) 555-5555 www.abccharity.org *EIN#12-3456789*
ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. *15.8% P,S,K*

Making Informed Giving Decisions

The EIN, AFR, and the Service Categories are included to help donors identify organizations that meet their interests and performance standards.

The EIN is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). Please Note: Some organizations may be covered under an umbrella organization's tax exemption status and EIN or may not be required to have an EIN.

The AFR represents the percentage of dollars spent on administering the charity. It is calculated as a percentage of the organization's total support and revenue. OPM, as well as the philanthropic community at large, remains concerned about excessive AFR levels. The philanthropic community generally considers an AFR in excess of 35 percent to be problematic. Potential CFC donors should carefully review the circumstances applicable to the potential charities of their choice to be certain they fully understand and accept the AFR situations for such charities before donating to them. Each situation is unique. Donors may contact the charity directly and/or industry oversight organizations in order to better understand the financial status, service delivery record, and governance policies of the charity before donating. A listing of oversight organizations is available at <http://www.opm.gov/cfc/Donors/Giving.asp>

The Service Categories (Taxonomy Codes)

categorize the types of services that most charitable organizations offer. Charities self-select up to three alpha-codes (shown below) for inclusion in the CFC charity list. Charities that did not select at least one category are assigned "Z" for the "Other" category.

The 26 service categories are derived from the National Taxonomy of Exempt Entities (NTEE) classification system. This system, developed by the National Center for Charitable Statistics, is widely used in the non-profit community.

Do I Have To Give Through The CFC?

No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right not to be improperly influenced regarding your decision to give or not to give through the CFC. Prohibited practices include, but are not limited to: supervisors soliciting the employees they supervise; setting 100% participation goals, providing and using donor lists for purposes other than the routine collection and forwarding of contributions and installment pledges, establishing personal dollar goals and quotas, and developing and using lists of non-contributing employees.

If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military personnel should contact the LFCC or their commanding officers. If the issue is not resolved satisfactorily, military personnel may also contact the Department of Defense Washington Headquarters Services at (703) 699-1841.

Can I Specify Which Organization Will Receive My Contribution?

By designating where your CFC contribution will go, you ensure that your donation goes to meet the needs that you feel are most important. You may designate the organizations of your choice where

indicated on your pledge form by entering the five-digit code and the amount you wish to pledge. **Additional designations may be completed on a second pledge form.** Except for documented expenses for the operation of the local CFCs and uncollected pledges, all contributions are distributed as designated.

The CFC is a donor-designated campaign. There is no limit to the amount of contributions an organization may receive through the CFC.

You cannot designate to an organization that is not listed in this Charity List. Adding organizations not listed, or "write-ins", is prohibited by CFC regulations and donations to such organizations will be treated as undesignated funds. In addition, pledges made using anything other than the assigned five-digit codes cannot be honored and will be treated as undesignated funds.

What Are Affiliated And Independent Organizations And Federations?

Affiliated organizations receive services from a Federation that supplies common fundraising, administrative, and management services to its member organizations. Charitable organizations participating in the CFC as a member of a federation may pay dues or fees to that federation as a service charge. Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a particular federation and any dues/fees paid by its members, either contact the federation, its members, or review the federation's annual report.

How Do I Designate A Federation, Or Alternatively, One Of Its Members, To Receive My Contribution?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name will be listed at the top of the list of the federation's member organizations. Contributions designated to a federation will be shared in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to an affiliated federation member organization, please record that organization's corresponding five-digit code number on your pledge form.

How Do I Designate An Independent Organization To Receive My Contribution?

You may wish to designate to an independent organization that is not affiliated with a Federation. Simply enter that organization's five-digit code number on your pledge form.

What If I Choose Not To Specify An Organization Or Federation To Receive My CFC Contribution?

All funds contributed to the CFC that are not designated to a specific organization or federation will be treated as undesignated funds and distributed

to all organizations listed in the CFC Charity List in the same proportion as they received designations. Organizations that do not receive designated dollars cannot receive any portion of the undesigned distribution.

What Is The International General Designation Option?

If you wish to have your contribution distributed proportionately among all international organizations that received designated gifts, you may do so by entering five number ones: 11111 on your pledge form.

What Is The Payroll Deduction Option?

Payroll deduction makes it convenient for you to give by letting you spread your contribution across the entire year. Last year, more than 90% of all CFC funds raised were made through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning in January and conclude

with the last pay period beginning in December. There is no simpler way for you to make good things happen for so many people than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

Will I Receive A Receipt For My Contribution?

Donors should keep a copy of their pledge form, as well as their pay statements, as a receipt of their pledge. A Federal employee who makes a one-time (cash, check, or money order) contribution must maintain a bank record or a written communication from the local campaign showing the name of the organizations contributed to, the date of the contribution, and the amount of the contribution. Every effort will be made by the local campaign to provide a receipt to donors, but it is the responsibility of the donor to request such a receipt from the local campaign. Donors that do not receive a receipt should contact the local campaign to obtain one. Local campaigns can be found using the

Campaign Locator search feature on the CFC website at <http://www.opm.gov/cfc/Search/Locator.asp> Donors should consult a tax adviser to determine if additional verification of the donation is required by the IRS.

What Are The Costs Of The Campaign?

Historically, campaign costs nationwide have averaged ten percent. These funds were spent on printing materials, training volunteers, auditing contributions, and other administrative expenses. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fundraising campaigns; therefore, every dollar you pledge goes a very long way toward helping others.

What Is On-line Pledging or E-Giving?

On-line pledging and e-giving, in general terms, means that donors have the additional pledging tools

of the charity list and pledge form available to them "on-line" or on the internet or intranet. Currently, several local campaigns are participating in pilot projects that offer on-line charity lists and secure pledge transactions through the Employee Express (EEX) HR System. Other campaigns have web-based charity lists and downloadable pledge forms. If you would like to have access to on-line giving tools such as these in your area, or have comments to share, please contact OPM at cfc@opm.gov, Attn: Online Giving, or your local campaign. Local campaigns can be found using the Campaign Locator search feature on the CFC website at <http://www.opm.gov/cfc/Search/Locator.asp>

2009 CFC-EEX E-Pledge

CFC-EEX E-Pledge offers employees in specified agencies the choice of making a CFC payroll deduction pledge on-line through Employee Express (EEX). Employee Express is a convenient, user-friendly automated system that gives employees direct control over key payroll and personnel information without having to use forms or visit a personnel or payroll office.

CFC-EEX is not mandatory for CFC pledges. CFC-EEX is another option for the Federal donor in agencies using EEX (see attached list).

Employees utilizing CFC-EEX *E-Pledge* should not submit an additional paper pledge form for their payroll deduction pledge. However, paper pledge forms are required for one-time and cash contributions.

Benefits of CFC-EEX *E-Pledge* include:

- **Confidential and Secure:** EEX has secure links directly to your payroll providers. No SSN information is passed to a campaign or mailed to another office for input.
- **Accurate:** All pledges are received electronically by the payroll office and no math calculations to correct or printing to decipher.
